

§ 3430.203

knowledge system around a problem area or activity.

Specialty crop means fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops (including floriculture).

Trans-disciplinary means a multi-discipline approach that brings biological and physical scientists together with economists and social scientists to address challenges in a holistic manner.

§ 3430.203 Eligibility.

Eligible applicants for the grant program implemented under this subpart include: Federal agencies, national laboratories; colleges and universities (offering associate's or higher degrees); research institutions and organizations; private organizations or corporations; State agricultural experiment stations; individuals; and groups consisting of 2 or more entities identified in this sentence.

§ 3430.204 Project types and priorities.

For each RFA, CSREES may develop and include the appropriate project types and focus areas (in addition to the five focus areas identified in § 3430.201) based on the critical needs of the specialty crop industry as identified through stakeholder input and deemed appropriate by CSREES. Of the funds made available each fiscal year, not less than 10 percent of these funds shall be allocated for each of the five focus areas identified in § 3430.201. In making awards for this program, CSREES will give higher priority to projects that are multistate, multi-institutional, and multidisciplinary; and include explicit mechanisms to communicate the results to producers and the public.

§ 3430.205 Funding restrictions.

(a) *Prohibition against construction.* Funds made available under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing facility (including site grading and improvement, and architect fees).

(b) *Indirect costs.* Subject to § 3430.54, indirect costs are allowable.

7 CFR Ch. XXXIV (1–1–11 Edition)

§ 3430.206 Matching requirements.

(a) *Requirement.* Grantees are required to provide funds or in-kind support from non-Federal sources in an amount that is at least equal to the amount provided by the Federal government. The matching contribution must be provided from non-Federal sources except when authorized by statute. The matching requirements under this subpart cannot be waived.

(b) *Indirect costs.* Use of indirect costs as in-kind matching contributions is subject to § 3430.52.

§ 3430.207 Other considerations.

The term of a grant under this subpart shall not exceed 10 years.
